

Listening Skills and Emotional Health digital courses

This course is open to any NHS employee currently work in a mental health telephone response service (i.e. MH crisis response or 999/111 call handlers).

This course will take place over a two- and half-hour session using a workshop approach (i.e. attendance is required for the whole session). The sessions run from 9.30am until 12.00pm or from 13.30pm until 16.00pm.

Please click on the date and time that you would like to attend the training course to secure your place. Should you have any questions or need to rearrange a booking, please contact the External training team via phone on 0208 394 8349.
