World Delirium Day Lunch Time Webinar

Yorkshire & Humber CN for Dementia and Older People’s Mental Health in partnership with tide and Life Story Network invite you to join our lunch time webinar on: **15th March 2017 12:00pm**

This 1 hour webinar will focus on delirium including:

- **An introduction to delirium** by Dr Rod Kersh, Consultant in Holistic & Person-Centred Medicine for Older People, Doncaster Royal Infirmary
- **A carer’s perspective and experience of delirium in different care settings** by Janis Cottee, former carer of her husband with early onset dementia, supported by tide
- **Delirium in a care home setting**, Chris North, Dementia Lead, Older People’s Mental Health Services, Bradford District Care Foundation NHS Trust
- **Management of delirium in primary care**, Dr Sara Humphrey, GP Principle with special interest in care of the elderly and CCG GP lead for Bradford City & Districts Clinical Commissioning Groups
- **Identification and management of delirium in an acute hospital setting**, Dr Rod Kersh, Consultant in Holistic & Person-Centred Medicine for Older People, Doncaster Royal Infirmary
- Plus an opportunity for **questions and discussions** at the end of the presentations.
