Coronavirus

New Things Happening

- From today dentists are opening

- But for emergency treatment only

- If you have toothache call your dentist
- If you don't have a dentist call NHS 111

Face Covering

- From Monday 15th June 2020

- To travel on public transport -
Bus, Train, Tram

- You must wear face covering

Spreading the News

- You do not need to spend lots of money buying a face mask

- You can make your own

- Or use a scarf

- But without a face cover you cannot travel

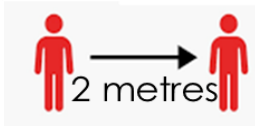

Spreading the News

- And as always keep following these rules:

- Social Distance ... 2 metres away from other people

- Try not to touch your face when you are out

- Wash your hands often
