

North East and North Cumbria Paediatric Palliative Care Collaborative Newsletter

North East & Yorkshire
Palliative and End of Life Care Strategic Clinical Network

Welcome to the second edition of the NENC Paediatric Palliative Care Collaborative Newsletter.

We have been busy meeting **David Purdue, Executive Chief Nurse, NENC ICB**, who is the new SRO for children and young people's palliative and end of life care. We also held an introductory meeting with the children's commissioners in the ICB and a second meeting is planned for the end of May where we will discuss the national [specialist palliative and end of life care services children and young people service specification](#)

NENC Palliative and End of Life Network meeting was held on 18th April. The ToR of this meeting have been updated to include all ages. The next meeting will be held on 13th June 1-3pm. For more information please contact Naomi Tinnion— naomitinnion@nhs.net

Strategy Development

Joanna Elverson, Paediatric Palliative Care Consultant, CHIPS & St Oswald's Hospice is leading the development of an ICB paediatric palliative end of life care strategy. If you have any questions about the strategy, please email Jo.
