

Liaison Mental Health North Event – 25th April 2017

Horizon Leeds, 3rd Floor, 2 Brewery Wharf, Leeds LS10 1JR

Aim of the event

Following the outcome of the liaison mental health transformation bidding process, this event aims to support next steps for all adult and older adult liaison services, including:

- implementation of successful transformation bids
- next steps for those preparing to bid in Wave 2 and support to develop a strong bid
- understanding the characteristics of smaller services without the demand to implement a Core 24 model

Outcome of the event

Delegates will take away practical advice and guidance on next steps of implementation or enhancement of their liaison mental health service and have an opportunity for peer learning.

Target audience (100-150)

- Mental health liaison professionals providing services to adults and/or older adults, including Consultant Psychiatrists/Liaison Psychiatrists, Clinical Psychologists, Nurse Practitioners, Mental Health Nurses and Service Managers.
- Commissioners of acute and mental health liaison services for adults and older adults.
- Mental health leads and managers from A&E departments.
- Primary care mental health leads and managers.
- Members from Urgent & Emergency Care Networks.
- Members from Crisis Care Concordat Groups.
- Social Care leads.

What can I expect from this event?

- An update on national policy developments and requirements for mental health liaison.
- Discussions focussed on sustainability and reinvestment of savings created by liaison services.
- Practical advice and guidance to implement local plans / develop strong bids.
- Insights into measuring and reporting outcomes for mental health liaison services.
- Peer learning opportunity.

Kate Chartres
Nurse Consultant, Sunderland Liaison Service

Kate Chartres is a Nurse Consultant in Psychiatric Liaison in Sunderland. The Sunderland Team is accreditation by the RCP with excellence (PLAN). My previous experience has included extensive time within Crisis Services, work in Primary Care, EIP and the Clinical Management of a range of diverse Psychiatric Liaison Teams across Northumberland Tyne and Wear. I have undertaken further development in a variety of therapeutic modalities which enables me to develop innovative treatment packages for people presenting with complex clinical difficulties utilising an eclectic approach which I believe is necessary within this specialist field. My interests include developing truly integrated services, engagement and developing the body of evidence to underpin future Psychiatric Liaison practice and developing staff of all clinical backgrounds. I work at a regional and national level representing nursing within the field, am a nurse rep for the RCP Faculty of Liaison Psychiatry exec and am involved in expert reference groups for a number of forums. I am also working as a Clinical Lead for the Liaison Network for NHS England and have recently chaired our first Liaison Practitioner forum.

Dr Katie Martin
Consultant Liaison Psychiatrist, York Liaison Mental Health Team & LMH clinical advisor Y&H CN

Katie is the clinical lead and advisor for Liaison Mental health for the Yorkshire and Humber Clinical Network. She has worked in Liaison Mental health for the last 7 years, starting out in a busy, diverse acute trust in south London and initially as a consultant in the well-established Leeds Liaison Psychiatry service. Katie is the Yorkshire Regional Representative for the Royal College of Psychiatrists' faculty of Liaison Psychiatry. She is now enjoying the challenge of setting up a new all-age Liaison service in York.

Dr Philippa Bolton
Northern Clinical Network Clinical Lead and Liaison Psychiatrist, Durham and Darlington
