

## Senior PWP Network

### Table Top Discussion 1- 03.03.2020

## Summary Feedback – How do we get the best out of the Network for 2020?

Key points fed back:

### 1. How would you like to be contacted or communicated with by the Network?

- Email
- Email please
- Email
- Can we know more about the network forum access please?
- Email and forum. Can we please know how to use/access the forum?

### 2. That sort of updates/information would you like to receive?

- Changes in practice
- CPD on assessment suitability ie. drug services
- Secondary care and resources
- Upcoming training
- National changes
- Research supporting low intensity or interest areas.
- Resources.
- Information about these days; communal Q&A; feedback space
- Webinars
- IAPT training or events
- Updating LI knowledge or supervision skills
- Training opportunities
- Research and update to guidelines

### 3. How often would you like to meet as a network?

- Quarterly – every three months
- Quarterly/3 x as suggested
- 3-4 per year
- Quarterly

### 4. Where would you like future network meetings to be held?

- Move around/Leeds?
- Train locations – Leeds seems ok
- Leeds or York
- Happy to travel and for it to move around (Leeds/York)

## 5. What topics would you like to focus on?

- Resources we give to patients;
- What groups different services offer;
- Sharing material
- Problem solving;
- Current changes;
- Trouble shooting
- Sharing best practice
- Step 2 provision across the region
- Working with specialist groups – autism, reaching out
- PWP retention
- How does the Senior PWP role look across the region?
- Managing waiting time
- Supervision
- Wellbeing
- Educational course developments
- Other service developments or changes
- Recruitment and retention
- Trainees – how to support/manage
- Staff retention
- Management/leadership skills
- Promoting PWP as being a job/career
- Perinatal
- Delivering groups and courses
- Senior PWP role

## 6. Would anyone like to volunteer to present?

- Yes
- Yes
- Yes

## 7. If yes to presenting – what will you present on?

- Perinatal course
- Challenges
- York and Selby IAPT – either wellbeing course or Silvercloud pathway (potentially non-guided)
- Rotherham IAPT – Perinatal pathway/groups and Dad's group
- Access rates – coping with them – ideas to achieve this into service
- \* Doncaster LTC
- \* DNA Rates and cancellations when first accessing service
- \* Groups, CCBT, telephone
- \* ADSM data collection confusion
